The crossword puzzle grid is composed of white squares on a black background. The grid is shaped like a large 'X' with some additional squares. The images are placed in the following positions: a boat in the bottom-left square, a sail in the square above it, a red shirt in the square above that, a slice of pizza in the square above that, a frog in the square above that, and a yellow object in the top-right square. The grid is set within a decorative purple polka-dot border.
