PHASE 2 SUPER SOUNDS BOOKS

This pack contains a sample book in colour and black and white. There are four activities: join the dots to make the sound, find the sound, colour the picture that start or ends with that sound and write the sound ten times.

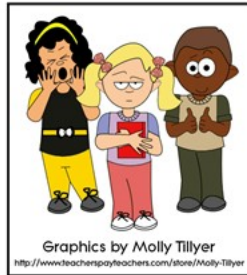

Instructions

Print the page(s) required. Fold in half then fold the bottom part up and fold along the line. The sound will match up to make the front.

If you liked this resources then you can purchase it by clicking on the picture below:
