Phase 5 Sound Grids

These grids cover the sounds taught in Phase 5, these ideas can be used with all phases...

You might want to use various pictures or small objects as use the grid as a sorting activity, placing the object with the correct sound.

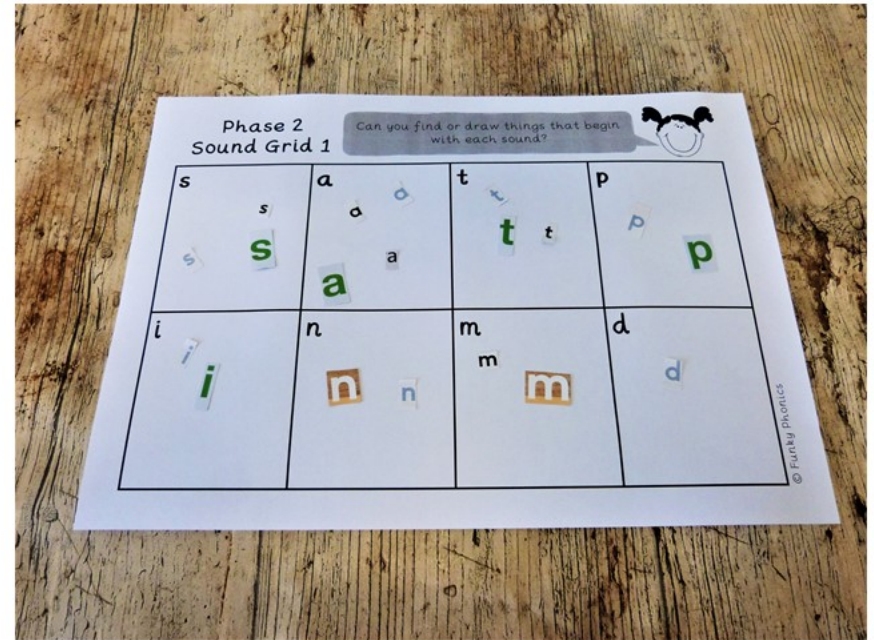

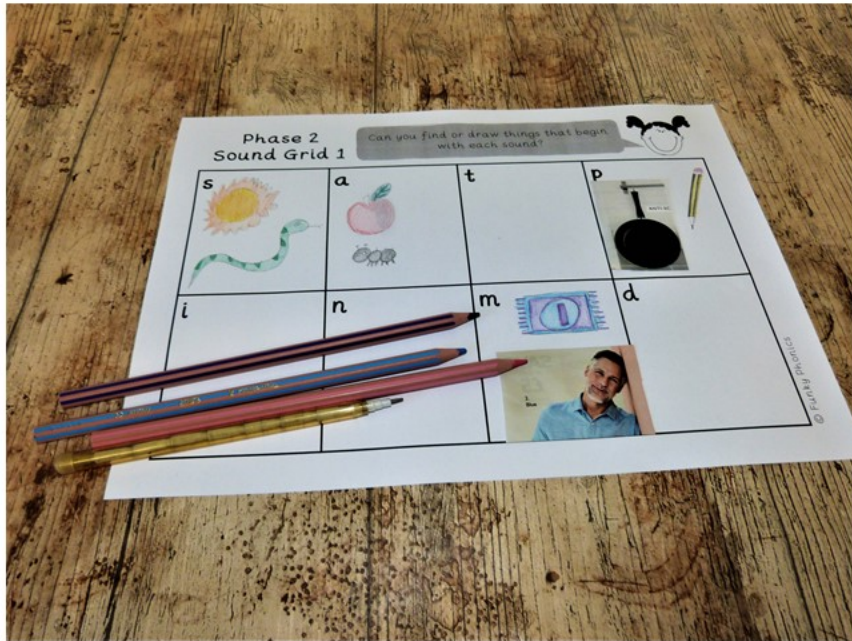

You can use these grids to write words that use those sounds. You can look through books, newspapers or magazines for them.

Phase 5 Sound Grids

They can be used to stick or draw objects that begin or end with these sounds. You could base it on a theme such as animals or food.

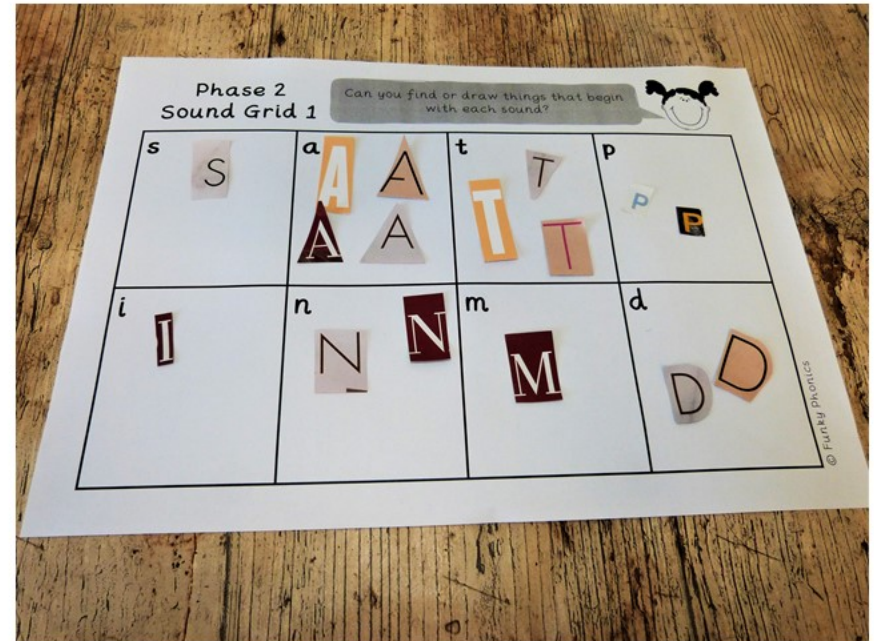

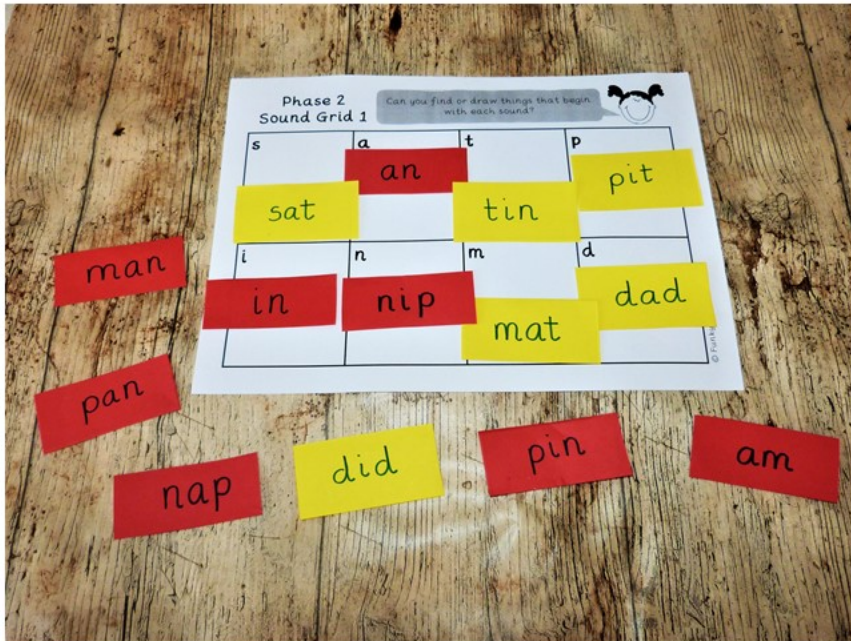

You can use old newspapers or magazines and cut out and stick the matching letters on to the grid.

Phase 5 Sound Grids

They can be used for word sorting.
Either match to the beginning,
middle or end sound.

You can use old newspapers or
magazines and cut out and stick the
matching upper case letters on to
the grid.
